# WHY RESIN CARS

- ▶ Provides many advantages over plastic cars:
  - The main benefit of a resin kit is that it makes it economical to produce small runs of railroad equipment

- 
- ▶ **Resin Car Works**
  - ▶ **Kit 15.1**
  - ▶ **Lehigh & New England 40' Gondola**

## CAR HISTORY

- ▶ **Built by American Car & Foundry in 1934**
- ▶ **100 Car Run**
- ▶ **Fixed End**
- ▶ **Wood Floor**
- ▶ **Numbered 10298 - 10397**
